

DAY 3

Wednesday, 23 September 2026

Animal Nutrition & Feed Formulation Excellence

TIME	SESSION	SPEAKER
08:00 – 09:00	 Registration & Badge Collection	
09:00 – 09:05	Opening Ceremony & Welcome Remarks by Local Host	Ibrahim Al Hazaa Executive Director, Al Hazaa Investment Group
09:05 – 09:15	IAOM MEA Feed Milling Forum – Mission & Vision	Martin Schlauri IAOM MEA Education Committee Chairman
ESSENTIALS IN ANIMAL NUTRITION		
09:15 – 10:00	Digestive Systems of Different Animals and the Function of Different Components in Nutrition Such as Wheat Bran, Soybean Meal, Grain, etc.	Dr. Hana Zakaria Professor, Department of Animal Science, The University of Jordan
10:00 – 10:45	Feed Processing, Formulation, Technology, Production Efficiency Optimization	Dr. Taha Moh'd Taha Feed Mill Manager, Al Tahooneh Chicken
10:45 – 11:15	 Coffee Break & Networking	
BEST PRACTICE IN OPERATION		
11:15 – 12:00	Processing U.S. Soy for Better Feed Performance: The Role of Hammer Mill Optimization	Dr. Dirk Maier Director, ISU Feed Mill and Grain Science Complex, Iowa State University
12:00 – 12:45	Production Efficiency & Throughput Optimization	Alex Ammann Senior Technologist & Trainer - Feed Technology, Bühler
12:45 – 13:45	 Lunch Break & Networking	
13:45 – 14:30	Enhancing the Value of U.S. Soy in Commercial Feed Production Through AI-Optimized Conditioning and Pelleting	Dr. Dirk Maier Director, ISU Feed Mill and Grain Science Complex, Iowa State University
14:30 – 15:15	Pelleting and Hygienizing in Feed Plants	Alex Ammann Senior Technologist & Trainer - Feed Technology, Bühler
15:15	 Coffee Break & Networking	

DAY 4

Thursday, 24 September 2026

Feed Milling Technology & Future Readiness

TIME	SESSION	SPEAKER
08:30 – 09:00	☕ Morning Coffee & Networking	
RAW MATERIAL HANDLING & BUILDING DESIGN		
09:00 – 09:45	Essentials in Raw Material Storage	Ralph E. Kolb CEO, FrigorTec GmbH
09:45 – 10:30	Project Management in Africa: A Critical Success Factor for Feed Mill Projects Case study: the highest, most modern poultry feed mill in Africa	Wim Delameilleure Director – MEA, SCE – Silo Construction & Engineering NV
10:30 – 11:00	☕ Coffee Break & Networking	
AUTOMATION & ENERGY SAVING		
11:00 – 11:45	Beyond Automation: Designing Traceability, Predictive Analytics, and ERP Connectivity in Feed Milling	Muzammil Mukhtar Head of Automation & Digital Solutions – MAI, Bühler
11:45 – 12:30	Smart Feed Milling Begins with Data, Not New Equipment	Ali Magboul CEO, ASM Process Automation
12:30 – 13:30	🍴 Lunch Break & Networking	
QUALITY ASSURANCE IN FEED		
13:30 – 14:15	The New Generation of Quality Control in Pellet Milling: Integrating Rapid Analysis, Automation and Standardization	Zeki Demirtaşoğlu CEO, Bastak Group
14:15 – 15:00	Closing Ceremony, Final Remarks & Certificate Distribution	Martin Schlauri IAOM MEA Education Committee Chairman
15:00	☕ Coffee Break & Networking
